

BUILD YOUR FUTURE

Tideway is hosting an open door event as part of the Department for Work and Pensions (DWP) Build Your Future campaign, in partnership with the CITB, on the **12th October 2017** at their Carnwath Road Riverside work site, SW6. The event will provide a face to face opportunity for DWP staff and their clients to find out more about the construction sector and the Tideway project.

What are we offering?

- Presentation on the Tideway project and Carnwath Road Riverside work site
- Introduction of our labour only sub-contractors
- Information, guidance and advice and mock interview sessions for clients
- Site visit - viewing platform
- Opportunity to put questions to experts in the sector

You can register for the Open Day if you:

- Are DWP advisor or a claimant
- Reside in the West London area

To register please contact your local advisor if you are a claimant or your line manager if you are a DWP advisor.

Deadline to express your interest: **11th October at 15:00**

More information on the venue and full address will be given upon registration.
